8.b 8.c 8.d Nota/Note/Mot/Nota:

Se utiliza la plantilla del taladro del tirador para mueble con puerta apertura derecha e izquierda.
The drilling template for furniture handles with right and left opening doors is used.
Le gabarit de perçage pour la poignée est utilisé pour les meubles avec porte ouvrant à droite et à gauche.
O modelo de perfuração para puxador é utilizado para móveis com porta de abertura direita e esquerda.
Ejemplo: Puerta apertura derecha/Right opening door/Porte ouvrant à droite/Porta de abertura direita

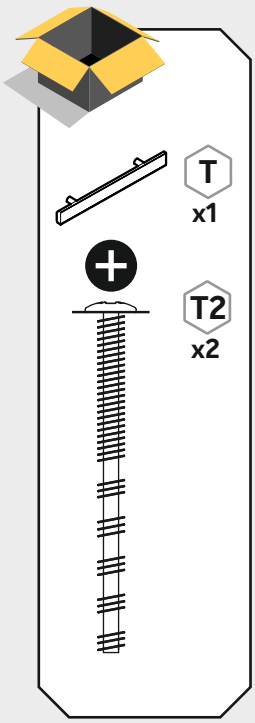

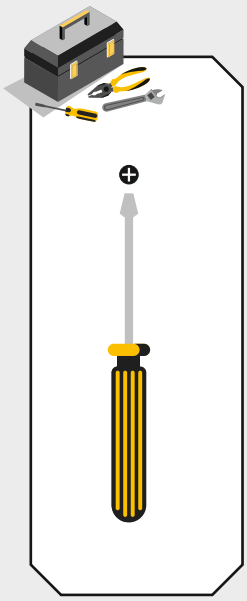

9.b 9.c 9.d Nota/Note/Mot/Nota:

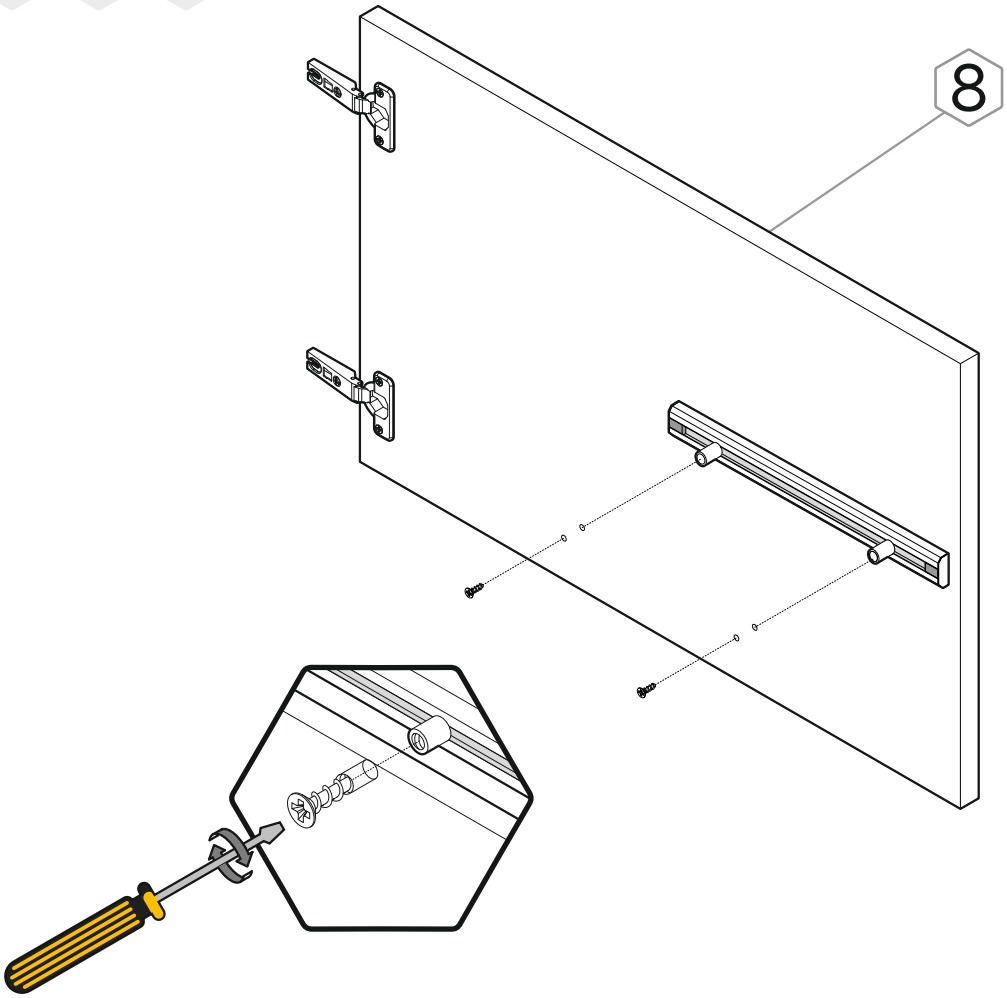

Taladrar sobre superficie no útil. El taladro debe traspasar completamente la puerta.
Drill on non-useable surface. The drill must go completely through the door.
Perçage sur surface non utile. La perceuse doit traverser complètement la porte.
Perfuração em superfície não útil. A broca deve passar completamente pela porta.

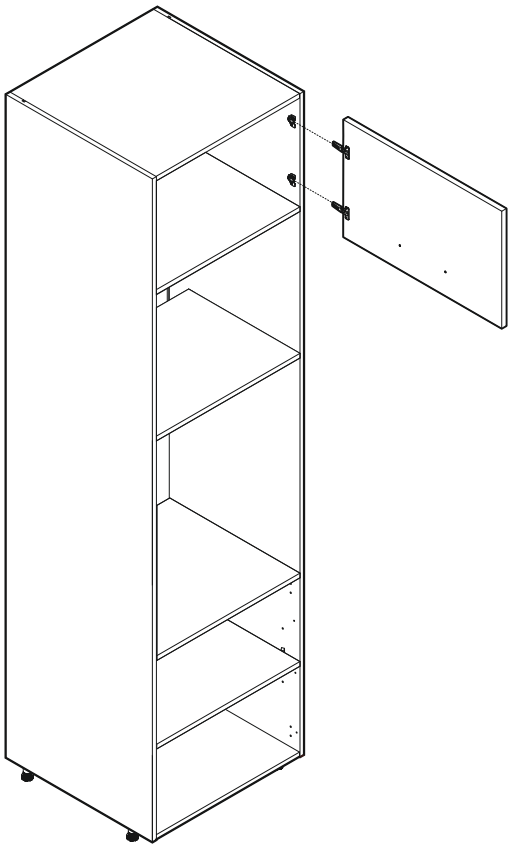

10.b 10.c 10.d

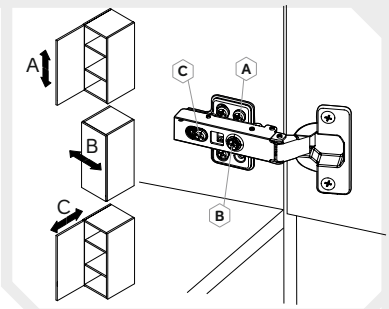

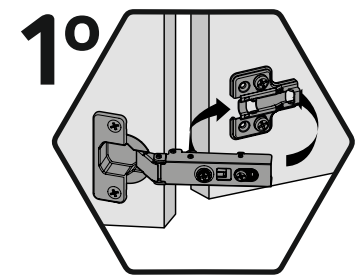

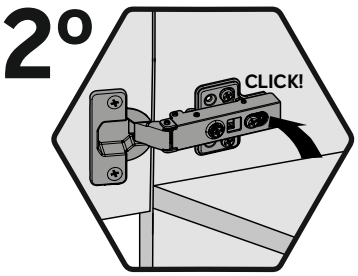

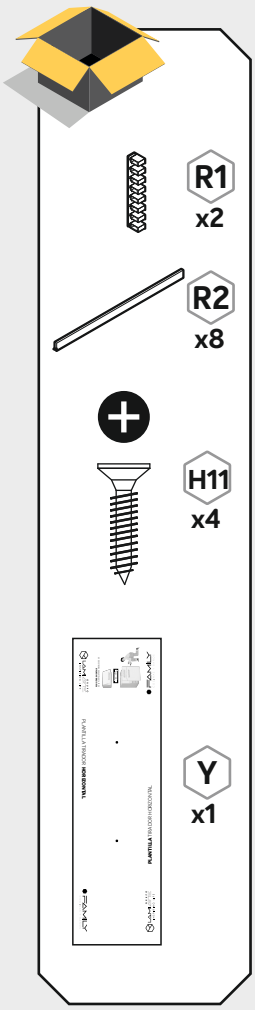

11.b 11.c 11.d

12.b 12.c 12.d

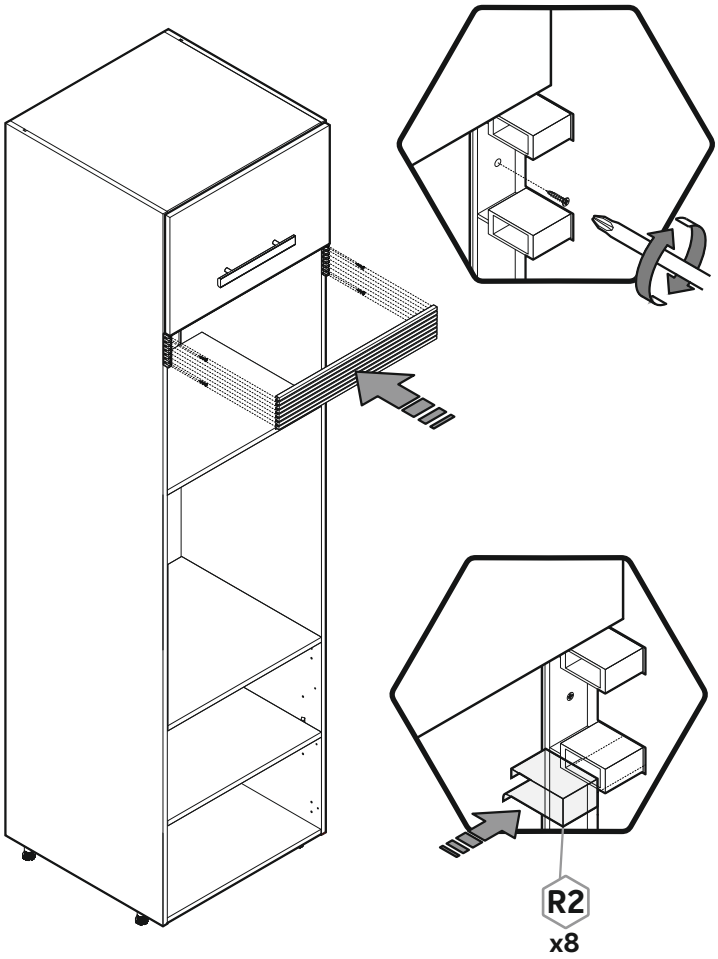

Nota/Note/Mot/Nota:

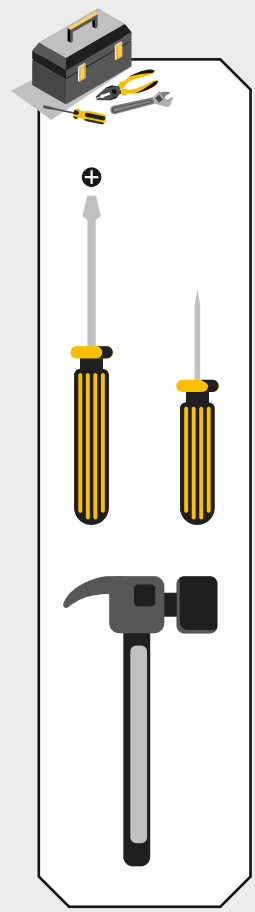

El herraje “R1” es recortable para su adaptación al alto del microonda.

The “R1” hardware can be cut to fit the height of the microwave.

Le raccord « R1 » est découpable pour s’adapter à la hauteur du micro-ondes.

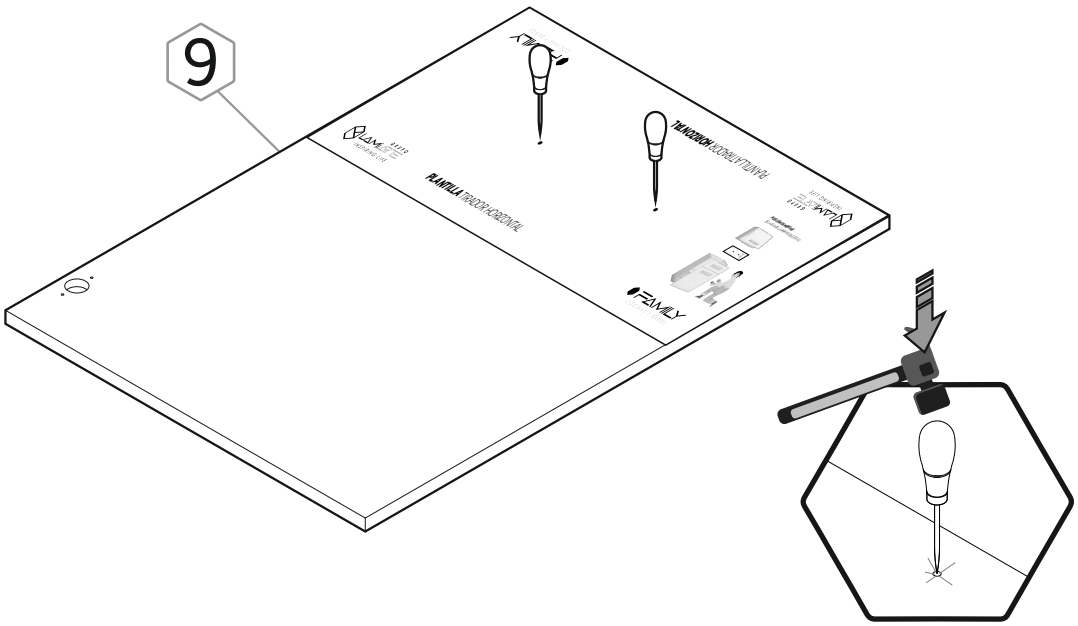

O encaixe “R1” pode ser cortado para se adaptar à altura do micro-ondas.

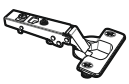

13.b Nota/Note/Mot/Nota:

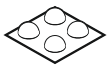

Se utiliza la plantilla del taladro del tirador para mueble con puerta apertura derecha e izquierda.
The drilling template for furniture handles with right and left opening doors is used.
Le gabarit de perçage pour la poignée est utilisé pour les meubles avec porte ouvrant à droite et à gauche.
O modelo de perfuração para puxador é utilizado para móveis com porta de abertura direita e esquerda.
